DISTRIBUTION LIST

FOR THE

PROVINCE OF QUEBEC

CONTAINING:

1. The name of the Post Office alphabetically arranged; (N.B.) a (*) before the name of a Post Office indicates a Customs Port or outport, a (‡) indicates service by Catch Post.

2. The name of the Postal Car Routes or Distributing Offices through which matter for the several Offices should pass.

3. The names of the Offices on which the matter is forwarded by the Railway Mail Clerks or Distributing Offices when not mailed direct. Direct mails are indicated by dotted lines.

4. The frequency and other particulars regarding the service.

5. A "Nixie" List of Post Offices recently closed.

INSTRUCTIONS

1. Matter for any Office which is supplied by more than one route should be forwarded by the one by which it will most speedily reach its destination.

2. When any doubt exists as to the proper railway route by which matter should be forwarded, application should be made to the Superintendent of the Postal Service.

3. Offices newly established, and Offices to which new names have been given, should be written in on the page underneath that on which they should appear in alphabetical order. To these entries should be prefixed consecutive numbers, which numbers should be neatly inserted in their places in the General List, in which the names of the new Offices or the new names of the old Offices should, in proper order, appear. The numbering should be from 1 upwards in each letter.

4. In case of change of name, the old name should be erased from the list and "*changed to*.... ....." (the new name) written opposite to the erasure. Opposite the entry of the new name should be written "formerly....." (the old name).

5. It is the duty of Superintendents of Postal Service and Postmasters *personally* to see that the Distribution Books furnished to each Clerk under their supervision are corrected by the Lists issued from the Post Office Department and the Office of the Chief Superintendent of the R.M.S. at Ottawa.

6. This book is revised to 1 Sept. 1930.
